Navajo Heights Elementary School

Important: Before Break

- ›Several reading unit assessments.
- ›Nonfiction writing project.
- ›Social studies mini-unit and project
- ›Math Assessment

winter

Reading Workshop:

Nonfiction is winding down. Students are practicing the skills they have learned during this unit. They are beginning to complete understanding checks in class. We are working on summarizing, main idea and detail, text structures, and integrating knowledge across two text

Writing/Grammar Workshop

This week students began drafting their nonfiction pieces. They developed their vision for the layout of their piece. Research is underway. Students have collected first hand information as well. Our goal is to finish the project before break.

Winter Break

Informational Text Structures
Ask your child how the structures help them understand what they are reading.

MYON

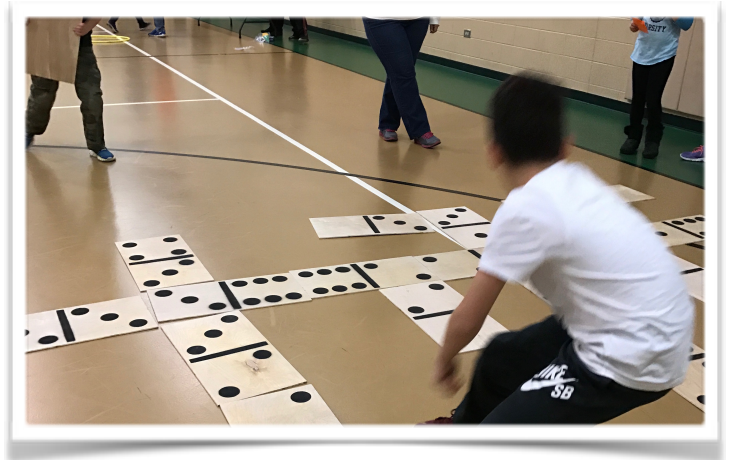

Thanks to the PFA for supporting reading in the classroom. Students can access thousands of digital books at anytime. They always have a book to read.

PARENT CONFERENCES

Thank you to all who attended! Your roll is so important!

Math Workshop

Multiplication is our topic. Students are working on the distributive property. We will work on partial product strategy for multiplying. This is a direct application of the distributive property. We are working on Operations and Algebraic Thinking and Numbers Base Ten. Our goal is to develop understanding and fluency with multi-digit multiplication.

Social Studies

Economics: Productive Resources - Economics Poster Contest

Science

Earth Science: Earthquakes and volcanoes

EXTRA! EXTRA!

Please make sure your child is dressed for outdoor recess. If the temp is 20 degrees or above they will go outside.
